Scottish Country Dancing is a modern version of the historic social dancing of Scotland. It is lively, engaging, sociable, and FUN.

See the FAQs page on our website ([rscds-nj.org](http://rscds-nj.org)) for more information..

### FOR BEGINNERS

Newcomers should dress in comfortable clothes and wear soft soled shoes: ghillies, ballet slippers, or sneakers in a pinch.

Come with a partner or without.

Fanwood and Hightstown incorporate beginners into the rest of the group; you can just show up.

The Ho-Ho-Kus group and the Midland Park Continuing Education Program are again presenting a Tuesday evening beginners class. We ask that beginners register for that rather than coming to the regular Tuesday evening sessions. Go to their website: [mpsnj.org/continuing\\_education](http://mpsnj.org/continuing_education) for more information or to register.
